

Help Save Our Farming Towns!

Adopt YOUR Town Today!

Whilst donations of food, hay & water are being sent to towns, another problem is that businesses within a town are missing out when goods are donated

- ✓ Work Rotary to Rotary
- ✓ Find out in advance what the farmers need
- ✓ Visit the town initially in, say, November by members, friends & families

- ✓ Stay in local hotels
- ✓ Eat in local restaurants
- ✓ Meet with local Rotary Club
- ✓ Have a Rotary Long Lunch on the Sunday with all food purchased within the town
- ✓ Arrange local entertainment for the families

- ✓ Talk to the farmers and find out what their needs are
- ✓ We don't know if we can help them if we don't know what they need
- ✓ They may just want someone to talk to

- ✓ How else can you help?
- ✓ Are there any youth issues?
- ✓ Are there any joint projects that could be carried out?

- ✓ Look at the possibility of some families visiting your club during the Christmas break (hosted by members)
- ✓ Plan follow-up visits, either as a group or to individual farms
- ✓ Investigate helping setup Farmstays
