ROTARY: GIVE EVERY CHILD A FUTURE

Rotary Australia and New Zealand Centenary Project

In 2021 Rotary in Australia and New Zealand will be 100 years old. This project will celebrate 100 years of achievement and demonstrate that Rotary is alive and well and continuing to do great things in the communities in which it operates.

This visionary partnership between Rotary and UNICEF will support the introduction of three new vaccinations to save the lives of generations of children across the Pacific by preventing a range of deadly diseases.

The three new and life-saving vaccinations will:

1. combat rotavirus, which causes the deadliest form of severe diarrhoea in children under five
2. prevent pneumococcal disease which causes pneumonia, blood infections (such as sepsis) and meningitis
3. vaccinate against certain forms of cervical cancer for girls across nine Pacific Island countries (PICs) including the Cook Islands, Kiribati, Nauru, Niue, Samoa, Tokelau, Tonga, Tuvalu and Vanuatu over three years.

Rotary's support will reach an estimated 100,000 children and adolescent girls.

ROTARY CODE OF CONDUCT

As a Rotarian, I will:

1. Exemplify the core value of integrity in all behaviours and activities.
2. Use my vocational experience and talents to serve in Rotary.
3. Conduct all of my personal, business, and professional affairs ethically, encouraging and fostering high ethical standards as an example to others.
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society.
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community.
7. Honour the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavour or reflect adversely on Rotary or fellow Rotarians.
8. Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

MOTTO

"Service Above Self"

THE 4 - WAY TEST

- 1 Is it the truth?
- 2 Is it fair to all concerned?
- 3 Will it build goodwill and better friendships?
- 4 Will it be beneficial to all concerned?

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

RI VISION STATEMENT

Together we see a world where people unite to take action to create lasting change across the globe, in our communities and in ourselves.

RI MISSION STATEMENT

The mission of Rotary International is to support its member clubs in fulfilling the Object of Rotary by:

- Fostering unity among member clubs;
- Strengthening and expanding Rotary around the world;
- Communicating worldwide the work of Rotary; and
- Providing a system of international administration.
